TACTIKKA ADAPT

TACTIKKA ADAPT is a ready-to-go lighting solution for use on any type of helmet. It is made up of a TACTIKKA headlamp with no headband, a FIXATION TACTIKKA clip mount, and a KIT ADAPT adhesive mount. Designed for the workshop, small maintenance jobs, or concerts and shows, the TACTIKKA headlamp offers 300-lumen brightness and a flood beam for comfortable proximity lighting. It also has red lighting to ensure discretion. TACTIKKA comes with three standard batteries and is also compatible with the CORE rechargeable battery, thanks to the HYBRID CONCEPT design.

Uniform flood beam for comfortable close-range vision. White lighting, or red to ensure nighttime discretion.

Compatible with Petzl helmets using the FIXATION TACTIKKA clip mount.

Compatible with all other helmets using the KIT ADAPT adhesive mount.

HYBRID CONCEPT design: TACTIKKA comes with three standard batteries and is also compatible with the CORE rechargeable battery.

Short Description TACTIKKA headlamp without headband and with mounts for use on any type of helmet. 300 lumens

Selling Points

- Ready-to-go lighting solution for use on any type of helmet:
 - includes a TACTIKKA headlamp with no headband, a FIXATION TACTIKKA clip mount for Petzl headlamps, and a KIT ADAPT adhesive mount for other helmets (1)
 - maintains the option of adjusting the tilt of the headlamp
 - compatible with Petzl helmet accessories: VIZIR, VIZIR SHADOW, eye shield protectors and helmet protectors
- Compact and lightweight:
 - 70 g with FIXATION TACTIKKA
 - 73 g with KIT ADAPT
- Easy to use:
 - three white brightness levels for comfortable proximity lighting
 - red lighting (continuous or strobe) combines visual comfort and discretion
 - single button for quick and easy selection of brightness or light color
 - ergonomic button, even with gloves
 - HYBRID CONCEPT design: TACTIKKA comes with three standard batteries and is also compatible with the CORE rechargeable battery

(1) For other helmets, verify compatibility with the helmet manufacturer.
