BOSS® THERM™ HEATED BASELAYER VEST

- Designed to be worn as a baselayer over a shirt, or any thermal garment
- Lightweight, active fit one size fits all includes durable two-way locking velcro straps
- 3 available heat settings using the lit LED push button control on the vest, or by selecting a setting using the convenient remote control
- Heating elements located on the chest and back, warming a large surface area to promote blood circulation, relief from muscle pain, enhance metabolism and improve immunity
- Low, Medium, High temperature ranges
- Quick rechargeable 5V power bank provides 8+ hours of warmth on a single charge*
- Machine washable; Heating elements are designed to endure 50+ washing cycles

CARE INSTRUCTIONS

Machine washable. Always store in clean, dry conditions. DO NOT store in places subject to direct, strong sunlight. Please put the vest into the laundry bag before putting it in the wash machine, and air dry the USB before use.
