ARIA 1R

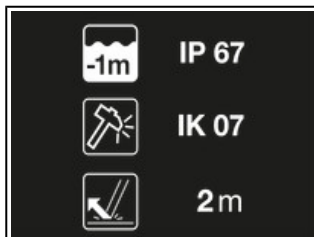

Casting 450 lumens, the compact and rechargeable ARIA 1R headlamp was specifically designed to be used by tradespeople and maintenance professionals. Durable, it is fall and impact resistant. It is also waterproof and dustproof, making it suitable for various work conditions. Easy to use, with a single button for controlling all lamp functions. The uniform flood beam offers comfortable close-range vision. It is convenient and can be worn on the head, around the neck, and on different types of helmets, using mounting plates that are available as accessories. ARIA 1R comes with the CORE rechargeable battery and also works with three standard batteries, thanks to its HYBRID CONCEPT design.

Compact, the ARIA 1R headlamp can be easily stored in a toolbox.

The wide, uniform beam provides comfortable lighting for close-range work.

Dustproof and waterproof (IP67), impact resistant (IK07), and fall resistant up to 2 meters, the headlamp is ideal for professional work conditions.

HYBRID CONCEPT design: ARIA 1R comes with the CORE rechargeable battery and also works with 3 standard batteries. The headlamp automatically detects the energy source and adjusts lighting performance.

Short Description Compact, rechargeable, durable, and waterproof headlamp, designed for proximity lighting. 450 lumens

Selling Points

- Headlamp designed for frequent professional use:
 - Durable construction: the lamp is impact resistant (IK07) and fall resistant (up to 2 meters)
 - Dustproof and waterproof (IP67)
