

ECONOMICAL DEPENDABLE SAFE

Still using a lanyard?
The 6' Rebel™ SRL is the
perfect way to upgrade.

You get an economical fall
protection solution that minimizes
your fall clearance requirements.
Don't compromise on safety:
maximize the performance of
your crew, while ensuring full
compliance with OSHA and
ANSI requirements.

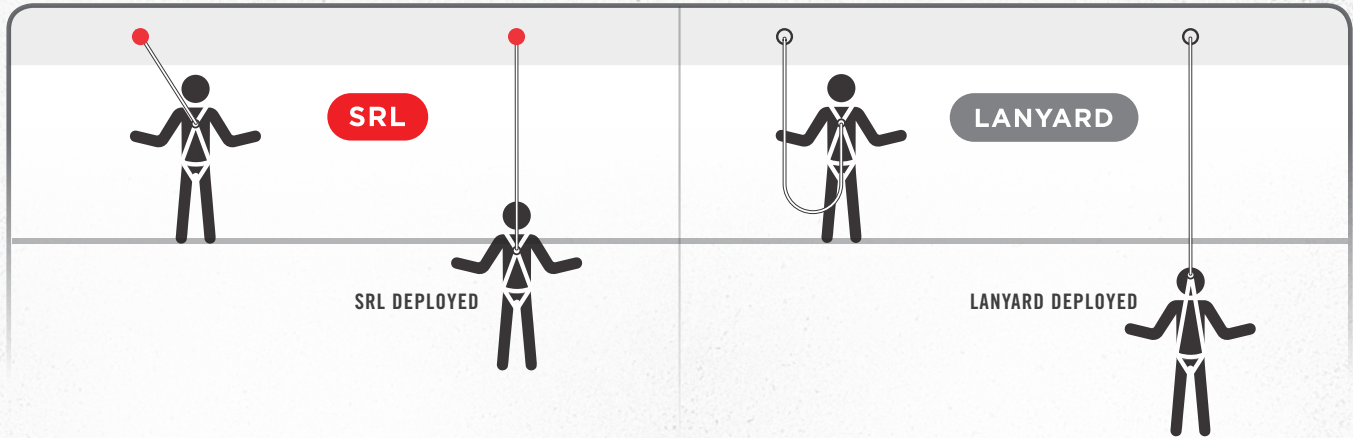

Model Shown - 3100413

SRLs PROVIDE REDUCED FALL CLEARANCE REQUIREMENTS OVER SIMILAR LANYARD LENGTH

Example of Fall Clearance Requirements

*Always refer to instructions for fall clearance
